Welcome to Chase! This month you'll see more of our signs change to Chase as we prepare to merge our systems on July 25, 2009. After July 25, you can bank wherever you see the Chase sign across the U.S. (except for California, which becomes available to you later this year); branches with WaMu signs in other states will also not be able to offer banking services for your Chase account until later this year. You should have received a letter recently about your WaMu account becoming a similar account at Chase, including information about new services coming soon. If you have any questions, we're here for you: just stop by any of our branches or call us at 1.800.788.7000. We'll be happy to help.

Washington Mutual Bank, FA

Currently, fees for using non-Chase/WaMu ATMs are billed at the end of each statement cycle. After July 23, 2009 any fees for using non-Chase/WaMu ATMs will be subtracted from your account on the same day you use the non-Chase/WaMu ATM. Fees incurred on or before July 22 will be posted to your account on July 22, rather than the date of your next statement.
